

ASPIRATA OVERVIEW

"When you partner with us, you partner with a leading service provider in auditing, testing and certification"

Aspirata, wholly owned by MICROMEGA, provides a consolidated programme of the following services:

- Occupational Health and Safety
- Construction Health and Safety
- Hygiene, Food Safety and Quality
- Microbiological Laboratory Testing
- Chemical Laboratory Testing
- Training
- Certification Body
- Auditing of specific client/consumer programmes
- Approved Inspection Authority (OHIB) for the monitoring of environmental stresses

Due to our extensive experience in the services above, we are a preferred partner to assist clients to adhere to legal compliance, moral obligations, best practices and industry norms. This minimises the risk for their businesses, employees and the general public. When you partner with us, you partner with a leading service provider in the establishment of safe and healthy living, working and recreational environments.

EXPERIENCE

Our employees have an in-depth understanding of the services offered and it is through this understanding that we are able to provide our clients and partners with a clear, holistic, consistent and integrated approach to ensure compliance.

FOOTPRINT

We not only have years of valuable experience and the best employees in the business, but we also service clients across Southern Africa, with our footprint extending across the entire region. We enjoy permanent representation in Gauteng, the Western Cape, KwaZulu-Natal, the Eastern Cape and the Free State. Aspirata also conducts work in the SADAC region.
