

NOSA[®] Testing

Dear Valued Customer,

We at Aspirata Laboratories (t/a NOSA Testing) wish to thank you most sincerely for your valued support throughout this year. It has been an absolute pleasure serving you. We would like to assure you of our continued commitment to supply high quality and excellent customer service.

Kindly be advised that Aspirata Laboratories will be operating with a skeleton staff over the festive season, between 23 December 2019 and 3 January 2020. The laboratories will also only be open until 12h00 on both 24 December and 31 December 2019.

The laboratories will be closed on the following public holidays: 16 December 2019, 25 December 2019 and 1 January 2020. Please see the attached for details on the laboratory managers who will be on standby during this period. Additionally, the Midrand Laboratory will close at 12h00 on 13 December 2019 for its year-end function (all samples must please be delivered by 11h00), and the Midrand Chemistry Laboratory will be closed on 27 December 2019.

We wish you a safe and happy festive season, and look forward to being of service to you in 2020.

Should you have any questions or queries, please feel to contact us.
